## JANUARY 2009

### Panther Baseball 2009

Welcome to the 2009 season for Panther Baseball. In association with the AYL, the Panthers are pleased to offer the area's best option for baseball. Baseball registration is now open and accepting returning players and any new players. We ask that you spread the word and let the parents of kids that would like to play baseball know about the Panthers.

The delegates for the 2009 season are Liz Pierce, Danny Nourse and Corky Messner, we thank them for their time and efforts put forth to bring another great year of baseball to the area. They can be contacted at [pysbaseball@yahoo.com](mailto:pysbaseball@yahoo.com), if you have any questions or concerns.

Important dates are posted on the web site and you will find links and information on clinics and training for baseball. We will also be sending information on the upcoming season to the local schools!

Information on the season and registration is available on the Panther web site at [www.panthersports.org](http://www.panthersports.org)

Thank you all for your support of baseball and wishing this year be the best. Let's play ball!

### PANTHER VOLLEYBALL NEWS

Hoping this volleyball newsletter finds all of our Panther families in good health and spirit! We are currently in the middle of online registration for the 2009 Panther Volleyball season, and with the coming of the new season it is a pleasure to announce some exciting new volleyball opportunities.

Due to the increasing popularity of volleyball, more and more teams and clubs are forming to meet the needs of the volleyball community. What this means for the AYL, and the Panthers, is that Saturday matches will now begin at 10:00 A.M., and will continue up until 5:00 P.M. every weekend. Matches will still be played at the SportsBridge facility at 82 Inverness Drive East.

Also new this Winter is the 2009 Winter Play Only League on Saturdays from January 10<sup>th</sup> to February 7<sup>th</sup>, and the 2009 High School Play Only League on Sundays in January/February/March. The cost for each is \$75 per player for either 5-week session, and players can register as an individual or with a team. Anyone interested in the Nu Sky Leagues can register at [www.nuusky.com](http://www.nuusky.com). This will offer a nice warm up for the 2009 AYL season!
