A special, "Thank You", to the 27 coaches and assistant coaches who have volunteered their time to help make the upcoming season the best possible.

## VOLUNTEERS

The Board, Sports Delegates, Coaches, Assistant Coaches and Team Parents of the Panther organization are all 100% volunteers. All of these fine individuals have, for a variety of reasons, determined to give of themselves and their time to the youth of our community. Almost all of these great individuals spend a great number of hours supporting the Panther players at the same time working jobs and raising families. No one is paid for their efforts, they just do their volunteer work for the betterment of our young athletes and the community in which we live. While undoubtedly make mistakes, everything they do is with good intentions at heart. Please keep this in mind as you come across something you think is wrong, unfair or not right. Rather than being the complaining parent, please offer constructive criticism along with solutions to solve your problem. Better than that, offer to volunteer on the board, as a coach, as an assistant coach or a team player. Be a part of the solution and help make the a great organization even better.

***Panther Youth Sports is an organization designed to provide young athletes a positive experience in a variety of sports. Our mission is to focus the experience on four key aspects of sports:***

- *to allow children to learn and experience either one or multiple sports*
- *to provide positive adult examples to children*
- *to provide a venue for children to learn good sportsmanship, teamwork and leadership*
- *to let children have fun in sports*

***This is accomplished through an all volunteer organization, run by parents whose focus is the children which we serve.***
